

Low Furness CE Primary School

Spending and Impact of Primary P.E. & Sport Funding Financial Year 1st April 2017 – 31st March 2018

Total Primary P.E. & Sport Funding allocation: £7747

(SP16 – C/Fwd. - £4197)

(SP16 – April – August 2017 - £3550)

(SP17 – Sept 17 – March 18 - £)

Dates	Activity / Purchase	Cost	Impact
April 2017	<p>Paul Rawlinson Golf coaching for all children 8 x 1 hour sessions provided in the Spring term 2017</p>	£720	<p>Not only did the children develop their golf skills, in addition, the coaching also provided continued professional development for the teaching staff. Golf is an area of physical education which is not strength of many of the staff; the coaching sessions have resulted in colleagues having increased confidence in the teaching of this discipline. Each Key Stage 2 class entered a team into a timed inter school event. The coaching has had the impact of enabling the two Year 3/4 teams and the Year 5/6 team to qualify for the finals which were held in Barrow –in – Furness on 15.6.17</p>
May 2017	<p>Yorkshire Purchasing Purchase of cricket, hockey and rounders balls. Also a pack of 6 relay batons, rubber quoits and 2 packs of floor spots.</p>	£97.16	<p>After an audit of the PE equipment it was discovered that additional resources were required. The purchase of this PE equipment has ensured our ‘summer sport’ can be developed using quality resources.</p>
June 2017	<p>Yorkshire Purchasing Purchase of 12 Size 4 rugby balls solely for the use of Key Stage Tag-Rugby Club</p>	£65.90	<p>The Key Stage after-school Tag Rugby Club which has up to 20 children from Year 3 - 6 attending each week lacked quality resources. The balls were purchased and are stored in a bag in a safe environment so no longer become played with</p>

			and lost at playtimes. This has resulted in the equipment being readily available, the children having the weekly opportunity to practice their skills and the quality of play improving
June 2017	Sportsafe UK Inspection of PE Equipment	£25	An essential inspection to ensure our children are safe when doing physical activity inside. Some areas for development have been identified and the follow-up work has been commissioned.
June 2017	Northern Archery All children from Nursery to Year 6 had the opportunity to experience a different sport in a safe and non-threatening environment. This was done over 6 days with the children working in small groups with two qualified coaches who provided all the equipment	£1860	A very popular and rewarding activity for all children but particularly those who shy away from too much physical activity. However, it would be good if ways could be found to reduce the 'waiting time.' Very expensive for 6 days coaching so this will now be delivered every second year.
June 2017	Equip4Education Purchase of an outdoor PE equipment container	£1884	The Sport's Council had brought up at their most recent meeting that the indoor PE store was constantly untidy and it was difficult to assess equipment. An outdoor container was sourced and purchased; this has been sited on the Key Stage 2 playground. Equipment is now easily assessable and it is now being used more effectively and more regularly.
	Total	£4652.06	

Overall all of the above have resulted in the children having greater confidence in themselves, a greater commitment to the school and increased teamworking skills.
