Dates	Activity / Purchase	Cost	Impact
April 2018 / March 2019	Various supply cover to; <ul style="list-style-type: none"> • Take several teams of children to a range sporting events • To coach our Gym team over a period of 4 weeks 	£2914.72	The opportunity for a range of children, mixed-age and mixed ability, to take part in a range of sporting events which included players with varying abilities and enabled great participation and team work. A good range of skills acquired and used. The children performed well and on some occasions podium positions were achieved. More so the children were proud to represent the school, wear the t-shirt and tracksuit and be rewarded in Praise Assembly. This has developed self-esteem and greater confidence in the sporting arena.
June 2018	Cumbria Cricket Ltd 37 hour Cricket Programme 'Chance to Shine' was provided for all children over a 6 week period in May to July. Sessions took place both in and out of the classroom.	£851	Children developed key skills under expert tuition. School was represented on a two of occasions by school teams at local tournaments. 12 children, 6 boys and 6 girls, from Years 5 and 6 competed.
April 2018	Paul Rawlinson Golf coaching for all children 8 x 1 hour sessions provided in the Spring term 2017	£840	Not only did the children develop their golf skills, in addition, the coaching also provided continued professional development for the teaching staff. Golf is an area of physical education which is not strength

			<p>of many of the staff; the coaching sessions have resulted in colleagues having increased confidence in the teaching of this discipline.</p> <p>Each Key Stage 2 class entered a team into a timed inter school event. The coaching has had the impact of enabling the Year 3/4 team to qualify for the finals which were held in Barrow –in – Furness, they won this competition and are now to represent the Barrow area in the Cumbria School Games.</p>
May 2018	<p>Onside Sports Coaching A qualified coach provided 6 x 1 hour Athletics sessions for every child from Nursery to Year 2 over a 6 week time frame in April and May. During this same time frame the Key Stage 2 children received 6 x 1 hour sessions of Lacrosse. In addition, the coach ran a Multi Skills after-school club.</p>	£840	<p>The Athletic sessions proved to be very popular and enjoyable with the children. As well as providing CPD for staff it also gave them the opportunity to assess the children in their year groups.</p> <p>There is no teaching of Lacrosse expertise within the school staff, the coaching sessions plugged a gap and enabled 69 children in Key Stage 2 children to develop new skills.</p> <p>The Multi Skills After-School Club, which was supported by 17 children from Reception, Year 1 and Year 2, developed skills and team working in a more relaxed environment.</p>
May 2018	<p>Amateur Swimming Association Purchase of swimming distance awards.</p>	£73.33	<p>The children have extended themselves in the swimming pool and the purchase of these awards gave us the opportunity to publically celebrate their success.</p>
June 2018	<p>GLL Better Hire of the swimming pool for all Nursery, Reception and Key Stage 1 children to</p>	£700	<p>With the parental contributions, this funding has enabled us to take all Nursery, Reception and Key Stage 1 pupils, 71 children, to Ulverston Swimming</p>

	have 10 x 30 minute swimming sessions from April 2018 – July 2018		Pool for 10 x 30 minute swimming sessions over the Summer term. It is essential that children living on the Furness Peninsula can stay safe in the water, Low Furness prides itself on developing this strength within our children and 'starting them early' gives an excellent foundation and plugs gaps for children who do not have the opportunity to swim outside school.
June 2018	Cumbria Wheelchair Sports Club A whole day visit from Nat Pattinson (a member of the GB wheelchair basketball team)	£180	Nat is an inspirational young man who delivered a whole school assembly then throughout the day each child had the opportunity to play wheelchair basketball. Not only was this a very enjoyable experience but it also gave the children the opportunity to learn to empathise and understand dealing with a disability.
July 2018	Amazon Netball bibs and resources	£76.42	We currently have a very successful Netball Clubs and team at Low Furness. Up to 25 girls and boys from Years 3 – 6 attend the Club each week. To maintain standards of training and provision resources need to constantly replaced and updated. Our team won both the area cluster event and St Marys Gala this year
October 2018	GLL Payment for 34 Year 5/6 children to take part in the Aquathlon at Ulverston Leisure Centre	£85.00	34 children took part in this annual local event which takes place each September. The children swim 25 metres of the pool then quickly put on a t-shirt and trainers and run round the sports field. This is an excellent event for children of all abilities. Not only does it provide a 'taster' for something a little

			different, it also promotes a sense of achievement and the children each receive a medal to celebrate their taking part.
October 2018	<p>Onside Sports Coaching A qualified coach provided 6 x 1 hour Multi-skills sessions for every child from Nursery to Year 2 over a 6 week time frame in September and October. During this same time frame the lower Key Stage 2 children received 6 x 1 hour sessions of Gymnastics and the upper Key Stage 2 - Football. In addition, the coach ran a Basketball after-school club.</p>	£840.00	<p>All sessions proved to be very popular and enjoyable with the children. As well as providing CPD for staff it also gave them the opportunity to assess the children in their year groups. The Basketball After-School Club, which was supported by 24 children from Key Stage 2, developed skills and team working in a more relaxed environment.</p>
November 2018	<p>Davies Sports Equipment for Tri-golf including irons, balls and a wheely kit bag</p>	£234.28	<p>Our children had received coaching from Paul Rawlinson, a golf pro.who was funded through the Sports Funding. Partially as a result of this coaching our Year 3/4 team qualified to represent Barrow in the Cumbria Youth Games. This equipment was bought to support the children in practising for the event and was clearly effective as we won and hence are currently County champions.</p>
November 2018	<p>Onside Sports Coaching Ltd A qualified coach provided 8 x 1 hour Dance sessions for every child from Nursery to Year 6 over a 8 week time frame in November and December. In addition, the coach ran a Key Stage</p>	£980.00	<p>All sessions proved to be very popular and enjoyable with the children. As well as providing CPD for staff it also gave them the opportunity to assess the children in their year groups. Dance is an area which needs development throughout school The Multi-Skills After School Club, which was</p>

	One Multi-Skills after-school club.		supported by 17 children from Key Stage 1, developed skills and team working in a more relaxed environment.
December 2018	GLL Better Hire of the swimming pool for all Key Stage 2 children to have 10 x 30 minute swimming sessions from September 2018 – December 2018	£1170	With the parental contributions, this funding has enabled us to take all Key Stage 2 pupils, 79 children, to Ulverston Swimming Pool for 10 x 30 minute swimming sessions over the Autumn term. It is essential that children living on the Furness Peninsula can stay safe in the water, Low Furness prides itself on developing this strength within our children and 'starting them early' gives an excellent foundation and plugs gaps for children who do not have the opportunity to swim outside school.
December 2018	Furness Academy An annual payment to enable our children to compete in various sporting competitions provided by the Furness Cluster	£115	This has enabled us to continue to encourage as many children as possible to compete for the school in a wide range of sporting competitions. Actually numbers participating will not be available until the close of the academic year.
January 2019	Lancashire County Council Emma Taplin and Zoe Martin attended a training course at Ulverston Victoria High School to develop the teaching of Multi-Skills for Early Years and Key Stage 1 children	£135	The members of staff who attended the course are responsible for teaching PE to children from Nursery to Year 2. The course developed their knowledge and skills to do this, in addition the resources which came with the course gave a wealth of ideas so the lessons are now more varied and focused on developing key skills
January 2019	Onside Sports Coaching Ltd A qualified coach provided 6 x 1 hour ball	£840	As ever, all sessions proved to be very popular and enjoyable for the children and their ball skills were

	skills / Basketball sessions for every child from Nursery to Year 6 over a 6 week time frame in January and February. In addition, the coach ran a Key Stage One Multi-Skills after-school club.		clearly enhanced. As well as providing CPD for staff it also gave them the opportunity to assess the children in their year groups. The Multi-Skills After School Club, which was supported by 27 children from Key Stage 1, developed skills and team working in a more relaxed environment.
February 2019	GLL Better Hire of the swimming pool for all Key Stage 2 children to have 10 x 30 minute swimming sessions from January 2019 – March 2019	£974	With the parental contributions, this funding has enabled us to take all Key Stage 2 pupils, 79 children, to Ulverston Swimming Pool for 10 x 30 minute swimming sessions over the Autumn term. It is essential that children living on the Furness Peninsula can stay safe in the water, Low Furness prides itself on developing this strength within our children and 'starting them early' gives an excellent foundation and plugs gaps for children who do not have the opportunity to swim outside school.
March 2019	Onside Sports Coaching Ltd A qualified coach provided 5 x 1 hour ball skills / Lacrosse sessions for every child from Nursery to Year 6 over a 5 week time frame in February and March. In addition, the coach ran a Key Stage One Multi-Skills after-school club.	£700	As ever, all sessions proved to be very popular and enjoyable for the children and their ball skills were clearly enhanced. As well as providing CPD for staff it also gave them the opportunity to assess the children in their year groups. The Multi-Skills After School Club, which was supported by 27 children from Key Stage 1, developed skills and team working in a more relaxed environment.
March 2019	Travellers Choice A 49 seater coach to transport the Gym	£140	We took 30 children to Ulverston Victoria High School to take part in a Key Stage Gym competition. By

	teams to UVHS for a Key Steps competition		funding transport these large numbers of children were able to take part. The event was very successful and children from as young as 5 years of age were able to represent the school and took great pride in wearing the Low Furness leotards and t-shirts.
March 2019	Amazon 8 x Mitre Aircell Speed Slip Football Shinguards	£37.33	We entered two girl's football teams into a local competition and many of these 'new' players did not have the essential shinpads required. This purchase enabled the participation of all the children who wished to take part. It promoted physical activity and an interest in a different sport. Since, due to demand, a Girl's after school Football Club has now been established at Low Furness.
	Total	£12726.08	
	Remaining	£9507.21	

Overall all of the above have resulted in the children having greater confidence in themselves, a greater commitment to the school and increased team working skills.
