Low Furness CE Primary School

Spending and Impact of Primary P.E. & Sport Funding Financial Year 1st April 2020 – 31st March 2021

April 2020	Travellers Choice Coach travel to various sporting events	£270	This funding has enabled us to transport Key Stage 2 pupils to various sporting events and also seize opportunities to take part in physical activity away from school.
May 2020	Paul Rawlinson Golf coaching for all children 4 x 1 hour sessions provided in the Spring term 2020	£450	Not only did the children develop their golf skills, in addition, the coaching also provided continued professional development for the teaching staff. Golf is an area of physical education which is not strength of many of the staff; the coaching sessions have resulted in colleagues having increased confidence in the teaching of this discipline.
June 2020	Amazon Purchase of mugs for leavers who have played Netball at Low Furness throughout their Key Stage 2 years	£58.27	Celebration of achievement, commitment and success
June and December 2020	Playdale Resurfacing of the adventure with cushion bark and making safe areas which were deemed dangerous in the inspection	£5515.20	The Adventure Playground is well maintained and safe so children can be physically active each day in an environment conforming to health and safety regulations
November 2020	Asgard Purchase of a metal shed to house outdoor PE equipment	£625	Equipment is easily accessed and managed. It is also located near to outdoor PE areas
December 2020	The Factory Shop Storage boxes for sports equipment	£24	After an audit by the Sports Crew they requested the purchase of storage boxes to organise the equipment. The equipment is now more easily accessible.
	Total	£12951.43	
	Remaining	£13495.57	

Overall all of the above have resulted in the children having greater confidence in themselves, a greater commitment to the school and increased team working skills.
