SIAMS Inspection Report

Dear Parents & Carers,

I am pleased to write to you and share the great news that following our one-day SIAMS inspection (Statutory Inspection of Anglican and Methodist Schools) on Wednesday 14th January, the outcome of the inspection was:

Low Furness Church of England Primary School is living up to its foundation as a Church school and is enabling pupils and adults to flourish.

This is very pleasing and is recognition of all our staff who have worked tirelessly to ensure that your child/ren are aspiring to follow our newly refreshed school vision of 'Love your neighbour as yourself - Mark 12:31'.

The report will be published online and I have attached a copy of the report for you to this letter for your reference.

We wanted to share the notable strengths that the report highlighted, as they really capture our vision for all our children, staff and community.

- *Rooted in the Gospel according to Mark, the Christian vision resonates with the school's history and its current context. It is the driving force in securing flourishing for both adults and pupils.*
- *The curriculum is equally aspirational and supportive. Its carefully planned structure ensures that it is accessible, enabling pupils to thrive as a result.*

- *Collective worship is a much-valued start to the school day. It is a calm and safe space that is effective in inviting pupils to explore their own spirituality.*
- *Christian love is experienced daily through the positive relationships across the school community. This demonstrates the vision in action where both adults and pupils are valued and cherished.*
- *The religious education (RE) curriculum has been skilfully designed. Thus, the carefully selected variety of content and approaches make it relevant for pupils at Low Furness.*

I would like to take this opportunity to thank the whole staff team, the challenge of the governing body and the support of our parent community.

Finally, and most importantly I'd like to thank the amazing children of Low Furness school, who lead the way in showing such love, kindness and resilience in everything they do.

As always, if anyone has any questions then please let me know and get in touch.

We hope you enjoy reading our wonderful report.

Kind regards,

CR-S
